Subject: BALANCED AND FAIR TAX REFORM NEEDED!

WE NEED BALANCED AND FAIR TAX REFORM!

The way Mr. Parsky is running the show, his welfare for the wealthy and questionable corporate giveaways are all he wants to consider. He thinks he is running out the clock with his wealthy cronies way ahead. We cannot tolerate his feathering the beds of the wealthy at the expense of the middle class and the neediest of us **is so not going to happen.**

WE AS TAXPAYERS SAY NO to reducing the personal income tax on the wealthy and **NO** to their hide-the-ball efforts to push through a proposal without the necessary public debate. These issues are too important to the future of our state to be handled so secretly and so obviously in favor of the rich at the expense of the rest of the people of California.
