Dear Fred:

I would be glad to talk with you tomorrow. I would suggest 11:30 am Pacific if it is convenient for you. I am happy to explain why I believe the approach I outlined gives us the highest chance of completing our work successfully by the deadline in September we will be given. However, with respect to one reference you made in Item 1 of your email, I want to assure you that under all circumstances we will continue to present all aspects of our analysis and deliberations in public and with full transparency.

Also, per Item 3 in your response, "I have attached a copy of the plan that the commission reviewed and incorporated", does not appear to be attached. Would you please send me a copy of this material?

Best regards,

Gerry Parsky
